

Name: CHECLER

First name: Frédéric

Marital status: Married - 2 children

Birthdate: August 13, 1957

Education : Master in Physicochemical and Molecular Biology, 1980
"Diplôme d'Etudes Approfondies (DEA)", in Cellular and Molecular Pharmacology, 1981
Doctorate in Cellular and Molecular Pharmacology, 1983

Professional Career:

DEA student: Nice/Sophia-Antipolis University 1980-1981

PhD student: Nice/Sophia-Antipolis University 1981-1983

Permanent position of researcher at the National Institute of Health and Medical Research (INSERM, France).

1984: Attaché de Recherches

1988: Chargé de Recherches

1992: Directeur de Recherches II

2001: Directeur de Recherches I

Scientific Publications:

Articles in International journals: 156

Articles in book, monographs, reviews and editorials: 52

Abstracts in International meetings (mostly as invited speaker): 185

Invited seminars 85

Patent:

Georgevia and colleagues. EP 2 123 328 A1

Galanthamine derivatives, their obtaining and use

Grants:

FRM (Medical Research Foundation)

European community grant

Research national Agency (ANR)

GIS grant

LECMA

FRC (Fondation pour la recherche sur le cerveau).

French Foundation (Fondation de France)

Grant Reviewer:

The Wellcome Trust

Human frontiers

Flemish foundation

Alzheimer's association

Internationale Stichting Alzheimer Onderzoek (ISAO)

Alzheimer Forschung initiative (AFI)

Association internationale pour la Recherche sur la maladie d'Alzheimer (AIRMA)

Carrefour international Foundation on prion diseases

GIS on rare diseases

Swiss national Science foundation

Committees

President of the scientific committee of the European League against Alzheimer's disease (LECMA)
Member of the scientific committee of the Francilian Neuropole
Member of the steering committee of the "Fondation de Coopération Scientifique-maladie d'Alzheimer"
Member of the "comité de pilotage" of the CM2R of Alpes Maritimes
Member of the prefiguration committee of Mediterranean Neuropole
Member of the evaluation committee of the ANR MNP2009
Member of the scientific committee of the 8th and 9th Francophone congresses on Alzheimer.
Member of the scientific committee of the 7th, 8th and 9th Springfield symposium on advances in Alzheimer's therapy.
Member of the scientific committee of the 8th and 9th International conférences on Alzheimer's and Parkinson's disease
Member of the scientific committee of the International Conference on Alzheimer's disease ICAD 2006
Member of the scientific committee of the 4th ESN Conference on Advances in molecular mechanisms of neurological Disorders
Co-organizer of a summer school on Alzheimer's disease in Nice
Member of the "comité de pilotage" of the symposium Alzheimer Leem/FCS
Member of the Steering committee of the Institute for Molecular and Cellular Pharmacology

Editorial Board:

J. Neurochem: Deputy Chief Editor
Current Alzheimer Research, European Chief Editor
Current Aging Science: Associate Editor
J. Biol. Chem., Member of the Editorial Board
Biochem. J: Member of the advisorial Board

Peer Reviewer:

Science

Professional Membership:

Biochemical Society
American Society for Biochemistry and Molecular Biology
Society for Neuroscience (USA)
Société des Neurosciences (French)
International Society for neurochemistry (ISN)
Member of Collegium Internationale Neuro-Psychopharmacologicum (CINP)

Awards: BioMerieux award 1997

1999 MHRI Kearney Fellow Award (Mental Health Research Institute)
Charles-Louis de Saulces de Freycinet Award (French National Academy of Science)
2002

Teaching Experience:

" Physicochemical and Molecular Biology" certificate (6 hours)
"Diplome d'Etudes Approfondies", University of Nice, Montpellier and Paris VII
(6 hours).
Certificate of pharmacology of the Faculty of Medicine of Nice (2 hours)
DU experimental neurology

Student Supervisor:

Predocotrinal trainees: 11
Masters and Doctoral trainees: 25

Information "Grand Public"

- Letter Bio CNRS
- Article published in "Dialogue INSERM" number 11
- Editorial in "Alzheimer au quotidien"
- Article in "The News" A Hoechst Marion Roussel report of international medical opinion
- Interview 45 min live at RCN 89.3
- Conference "Grand Public" at the Centre Universitaire Méditerranéen
- Forum Nice Matin
- Forum du savoir, Conseil Régional de Haute Normandie
- Participation to the movie "Chercheurs contre Alzheimer" presented at the Cité des Sciences et de l'Industrie in Paris
- Participation to the promotional movie of "l'IFRAD".
- Interview Radio A (radio Alzheimer)
- Written interview for the Institut de culture scientifique Robert Hooke
- Interview magazine "Pleine Vie"
- Inaugural conference "semaine du cerveau" 2010
- debate/conference Médiathèque of Valbonne.
